Miami Regional University

700 South Poinciana Blvd, Miami Springs, FL 33166

Professional License Disclosure

PROFESSIONAL LICENSURE

Miami Regional University offers several programs designed to prepare students for licensure or certification in their chosen professions. NC-SARA regulations require institutions to disclose whether each program meets the educational requirements for licensure in every U.S. state or territory. Please refer to the table below for information specific to your program and state of residence.

Students are responsible for reviewing the licensure requirements for their state and understanding how our program aligns with those standards. We recommend contacting the appropriate state licensing board directly if you plan to pursue licensure in a state not listed as “Meets Requirements.”

For any questions, please contact: MRUCompliance@mru.edu
